Quality. Service. Guaranteed!

EZ PRO™ Jr. Indoor Controller

New for 2005 – Nelson introduces the EZ Pro™ Jr. Indoor Series of irrigation controllers. The 8200 Series is ideal for any residential application.

As demanded by landscape contractors worldwide, the 8200 Indoor Series has been designed with an emphasis on being the perfect economical indoor controller with the reliable characteristics, powerful technology and flexible programming of the 8300 EZ Pro™ Jr. Series. Keeping the 8300 Series features like “Event Days” per program and “Percent Water Budget” per month gives the installer the capability to improve watering efficiency while promoting water conservation.
